Subject: letter to STL airport managers

[cards with titles, addresses on desk]

Address to Rhonda; cc: Cornell and Joletta

Dear Ms. Hamm-Niebruegge:

Thank you for meeting with me at the Airport yesterday. I appreciate the time you, Cornell, and Joletta took to describe airport operations affected by activities at the Bridgeton Landfill.

As I mentioned during our meeting, the Airport's correspondence on the Environmental Protection Agency's remedial responsibilities at the West Lake portion of Bridgeton has been placed into the public record and will be given due regard by this agency.

This agency will be sure to notify the Airport about public releases of environmental information and future public meetings about the West Lake site.
